

REFINED

Spartanburg High School Football 2024 Viking Player Sponsorships

REFINED

This season our team will be participating in numerous development opportunities including but not limited to 7 on 7s and lineman competitions, FCA Camp, REFINED Camp, recruiting trips, team bonding activities and meals. This cost along with the cost of uniforms, transportation, and player apparel equates to over \$2,500 per player. At roughly 130 players, this cost quickly adds up. As such, we are asking each player to acquire a minimum of 10 sponsors to help us cover the cost associated with providing them with the best resources and opportunities. Please consider sponsoring one or more of our players on the link provided below. This link may also be found on our team website www.SpartanburgVikingsFootball.com under the “Partner Now” tab. The players will receive various incentive rewards for procuring sponsors and each sponsor will be recognized on our webpage and social media accounts.

Thank you for your help and Go Vikings!
